CEDAR GROVE HIGH SCHOOL

DEDICATION

This year's 1987 - 1988 yearbook staff dedicates this yearbook to the football, baseball and wrestling coach,

COACH HARRY NEWBERRY

Coach Newberry has the third most wins in DeKalb County among all of the football coaches. Coach Newberry has achieved a 100 plus win record this year. He has also been one of the few coaches that has sent his whole wrestling team to the state Championships. Coach Newberry has been at Cedar Grove ever since it opened, sixteen vears ago. He has touched thousands of Saints lives and they will never forget

To Coach Newberry, we say "Congratulations". "Thanks", and "Keep up the good work".

WE ARE BAD

We're Bad in '88! This theme expresses the kind of year we had in 1988. It was also the hit names of the hit titles of LL Kool J and Michael Jackson. Both artists were respectively at the top of the record charts with their versatile versions of "Bad". Expressing a positive influential side of the word "BAD", both records were critiqued as explosive, versatile and stunning hits. These words were also used to describe, "THE VERY BEST", Cedar Grove High School.

The SENIORS, class of '88, at Cedar Grove High School especially dominated this theme in several areas. They proved dominant in Academics, Sports, Activities and Togetherness. The underclassmen also stood out by proving their abilities of upcoming leadership and superiority! Combining all this together, Cedar Grove High School could most definitely say "we're BAD in '88".

Eat your heart out, LaTonya!

Marlon Jackson, of the Jackson family, visited Cedar Grove to honor the Top Ten Percent. Say Cheese, Marlon!

MRS. MARY ANN SCHRECENGOST

Saints Forever, Saints Forever, We will always honor you Cedar Grove, Oh Cedar Grove We will always honor you.

I have always believed that each and every student, faculty and staff member should honor Cedar Grove and be proud of our school. In the last eight years, I have seen many changes take place. A new emphasis has been placed on academics. Our adopter Norrell has played a major role in helping us to reward achievement. The potential for greatness is here. In the future years it will take a committment from everyone to fulfill the words in our Alma Mater "To be the best in all we say and do." It has been my *dream* for eight years. May I take this opportunity to ask that it be *more than just a dream* for the class of 1988 and challenge all students at Cedar Grove to do their very best.

To my homeboys Marvin, Michael, and Brian the ability to follow in my footsteps, because I taught ya'll well. To Jarvis, Eddra and Demitrius my job, because nobody's gonna be here to give ya'll lunch money anymore. Beverly, Brian Jones, Randall keep trying to be fresh you'll get it one day. To Cedar Grove another name to carry on.
- 1, Dawn Bell, being of sound mind and fine body bequeath the following. To my sister, Traci, I leave the strength and courage to stand Cedar Grove. To the girls of Cedar Grove, I leave you to be able to mess with your own boyfriends. To anyone who needs them I leave all my quarter hours, so you can all graduate on time. To my very best friend Vivian, I leave her the will to keep her big mouth shut. (funny).
- I, Areca Buggs, being of sound mind and athletic body, hereby bleave all the luck in the world to my little sister Aretha. To Cicily Brown and Javonne Pitts I leave my track skills and potential abilities. To Joanna Savage I leave my extra quarter hours, so that you will be able to jump hurdles next year. To Monique Stevens, Lisa Glass, Ontaya Brooks, Weatherly Hill and Alanna Hicks I leave the title "Upcoming Seniors".

Thinking Of A Master Plan"

Cedar Grove Varsity Saints had one of the best records ever during 1987 - 1988. The Saints "did do a good job" as quoted by Coach Newberry. He also said that the defense was good as well. He considers the Saints as being the best in the state. The linemen's skilled performance was the best; no ones skills could match theirs. Yes, the Cedar Grove Saints were actually "Thinking of a Master Plan" when Tony Adams, quarterback threw over 1000 yards, while Chris Sypho ran over 1000 yards.

We have a number of returning lettermen from last year's team that won the Region, and among them are outstanding individuals that could help us repeat (depending on grades and injuries).

Randy Lippitt, James Collier, in sprints; Edmond McClendon in the 800, 400, and triple jump; Chris Hill in the 110 hurdles and long jump; and Harrison Mosley in the 300 hurdles and 400 dash. Chris Sypho, Kevin Snellings, Phillp Simmons, Dewayne Leonard are the core of our depth in spirit, but we do have some surprises.

Distance is our weakness this year, but we do have excellent talent coming along in Wilfred Williams, Quinton Morgan, Deldrick Wilson, Gary Pennyman and Keivan Owensby.

Jesse Curney, Julian Hicks, Ronald Christian, David Sheffeild are going to make their marks this year in field events and we plan to make May a busy month in Jefferson.

With the combined efforts of the yearbook staff and the sponsors, Dr. Fins and Mrs. Whiting, we were able to create this year's version of the 1987-1988 yearbook. We have captured the essence of this school year in a book. Since we were mostly newcomers to the business, we first had to realize how much work goes into the process. In other words, "WE'RE BAD"

CONGRATULATIONS ROBBY AND TANGELIA

Tangela,

A person who has made a great change in my life during the two years we've been together. Over these years you have been more than just a girlfriend. You have been a very good friend. You were there when I needed you most. Thank you.

Although we may not attend the same college, I hope our relationship will be preserved throughout college years. I wish you all the success in the the future and all the finer things life has to offer. Remember: Always hope for the hest but prepare for the worst as well.

Tangelia, I will always love you.

Rob

To: Our Dearest Daughter,

We have watched you grow up from a toddler to a very mature young lady who brings happiness to our hearts.

Now that you will be leaving to attend college we wish you much hope and success in the near future.

Remember that we love you dearly.

Love, Mom, Dad, Latonya, and Kelly To Arthur Robert Reese III (Robby),

My first real true love, I'm writing this message to thank you for the wonderful years we've had together. To some people love is walks in the park, quiet dinners and expensive gifts, but to me love is you-Robby and don't you forget it. Robby, one day you are going to be somebody important so don't let anything get in your way because you are heading for the top.

It's been two years of good and bad things and we made it, so hopefully there will be many more good times.

> Love, Tangelia Porter

Robby,

You are the oldest son, the first to complete high school. We have watched you grow from playing with Hot Wheels to driving your own car. Now Robby, you're entering "manhood." I hope you realize how much we love you. We hope you never forget the values we tried to instill in you.

Upon graduation, you will spread like a scattering seed in every direction, seeking new roots, exploring new channels and beginning a new phase in your life. We wish the best of everything for you. Always strive to do the best that you can, set goals for yourself, dream and have hope.

But always know where ever you go, whatever you do, we will be there for you!

To Our Son Mr. and Mrs. Arthur R. Reese Jr. With Love

To our oldest daughter Tonya, you have been such an inspiration in our lives. We are very proud of you for being a leader, an achiever, and a good student at Cedar Grove. May God bless you and keep you in his loving arms. Congratulations, Lu.

Love, Mom & Dad

Tonya, you are our second grandchild to graduate from high school. We hope you will succeed in life by completing college and always remembering the Lord's word. Stay strong, keep the faith, hold your head up high, and continue to be a leader.

Congratulations Sweetheart.

Love, Your Grandparents

Kimberly,

Along the way, you've had your ups and downs. But you have come through them all. But most of all, remember what you've learned and apply it to your adult life.

We wish you all the best in all your future endeavors. May life give you health, happiness, and success.
